## PORTFOLIO

<https://claudion3.github.io/portfolio/>

## CAREER

I am excited to work in a fast-paced organization where I can develop myself and contribute to the growth of the company by using my skills. The position of Full Stack Web Development matches my career goals and I am excited to take on this new challenge!

## SKILLS

Javascript, HTML/CSS, Reactjs, Expressjs, Nodejs, Git, MySQL, Knex, MongoDB, Python, Flask

Basic: Data Science, Machine learning

## INFORMATIONS

Languages: English,  
French and Danish.  
Class B driving license

## VOLUNTEER WORK

Journalist in newspaper,  
Computer lab maintenance  
in Red-cross Denmark

## Profile

An enthusiastic Web-development graduate with high drive and determination needed to resolve complex tasks. My motivated mindset and organized approach to work recommend me in any working environment.

I am highly passionate about the IT industry, always keeping up with the new IT trends and interested into developing web applications using JavaScript and Python technologies.
